On March 14, 2023, the Board took action to reduce its membership from five to three. A school district seeking to reduce its Board membership from five to three must submit an application to the local County Committee on School District Organization for approval. If the County Committee approves the Districts application, California Education Code section 5020 requires an election to approve the proposed Board membership reduction. To avoid the costs associated with an election, the Board is considering seeking a waiver from the State Board of Education of this election requirement. If the waiver is granted by the State Board of Education, no election will take place, and the County Committee decision on the District application would be final. In addition, the Board will seek to waive portions of Education Code section 5021, to allow the Board to immediately operate using three members, should vacancies occur on the Board.
